

FRAME ASSEMBLY INSTRUCTIONS

1. Assemble the top and bottom horizontal tubing (Horizontal Tube L & Horizontal Tube R)
2. Attach feet to bottom of the vertical tubes with provided screws
3. Unfold your graphic and slide the horizontal tubes through the pole pockets at the top and bottom of the graphic. Tube length will need to be adjusted to fit the graphic width.
4. Attach top and bottom horizontal tubes to vertical tubes using the screw knobs at the ends of the horizontal tubing
6. Once both top and bottom horizontal tubes and graphic are attached, hoist up vertical tubing until graphic is taut and then twist the tubing to lock in place (see stickers on tubing for lock/unlock instructions)
7. Make any necessary adjustments to width and height
